DAVID J. AUGUST
620-622 Kansas Ave.

HE IS WORTH \$405

Geo. Badders Files Sworn Statement With Clerk of Court.

The Claims Against Him Amount to \$40,898.77.

After contending for days in federal court that he was not bankrupt and after being adjudged bankrupt by a jury, George S. Badders filed a sworn statement with the clerk of the federal court today listing his total assets at \$405 as against liabilities amounting to \$40,898.77. And Badders claims the \$405 under the exemption laws.

The bankruptcy proceeding against Badders, personally, were begun in the federal court two years ago. He consistently maintained that he was not bankrupt and maintained that position up to the time the jury held him bankrupt. Following the finding of the jury it was necessary for Badders to file a sworn statement listing all his property and all his obligations. That was the statement filed with Morton Albright, clerk of the court today.

Badders makes the sworn statement that he has no real estate, no cash, no notes, no stock in trade. He admits owing \$100 worth of clothing, a five dollar watch and books and pictures to the value of \$200. That makes a total of \$300. Badders claims that is the extent of his personal belongings. As against these assets are the following liabilities:

A judgment rendered to the German-American State bank in the district court of Shawnee county for \$5,798.17.
A note for \$25,000, found in the papers of the Badders Clothing company, given by Badders to the corporation for additional stock in the company.
An open account with the Badders Clothing company for \$190 for clothing purchased by Badders.
Notes to the Stein-Block company for \$7,500.

To Lippe Bros., \$2,500.
The total liabilities listed by Badders come to \$40,898.77.

TABLE TALK AT THE COMMERCIAL CLUB.

After a great deal of mental worry, W. W. Webb, president of the Commercial club; Mayor Jay E. House and Governor Capper have decided to wear just plain business suits at the presidential dinner at the Capper home Wednesday. Not so the female members of the party. They are still figuring on the proper garments to wear.

Governor Capper admits that a reporter leads a hard life instead of one filled with roses as many are led to believe. While eating dinner today he told of eight years of hard work he spent wearing out the bricks of Kansas avenue as a reporter and staying on "dog" watch until 3 o'clock in the morning.

Mrs. George W. Veale has telephoned to W. W. Webb, president of the Commercial club, asking for a seat on the platform at the auditorium. Mrs. Veale says it is no more than fitting that the oldest Democrat in point of service in Kansas should occupy this place of honor and shake hands with Mrs. Wilson.

TO PAY STATE \$281,000

Texas Brewers to Deliver "Tidy Sum" to Texas for Violation.

Austin, Texas, Jan. 31.—Penalties amounting to \$281,000 exacted from the Texas brewers in the agreed judgment of the state's ouster suit against the breweries entered in the district court at Sulphur Springs will be paid into the state treasury within the next day or two, according to the state attorneys who returned today from the trial of the case at Sulphur Springs.

BLAZES 60 YEARS

Terrific Subterranean Fire Eats Through Barrier.

Richest Vein of Anthracite Field Is in Danger.

Lansford, Pa., Jan. 31.—The famous mine fire which has been raging now for more than sixty years and which started at Summit Hill, near the spot where Philip Ginter discovered anthracite coal in 1791, has burned through the immense concrete wall which Lehigh Coal & Navigation company sank in front of it, deep down into the earth several years ago at a cost of more than a million dollars. It now is threatening the mammoth vein in the Panther creek valley, the largest and richest vein of anthracite in the world. The wall, which was sunk into the ground to a depth of 180 feet, was fifteen feet thick, of solid concrete and experts believed that it would hold out for many years.

Has Destroyed Millions. The fact that the flames have eaten through this huge barrier, has caused grave fears among the Lehigh Coal & Navigation officials who are now putting forth every effort to prevent the fire from getting into the vast beds of anthracite in the vicinity. A large force of men are at work drilling holes deep into the earth and into these openings water and slush is being poured directly on the subterranean fire in the hope of preventing a rapid spread if impossible to extinguish it. Already this fire has destroyed millions of dollars worth of coal, while the sixty-year fight to extinguish it has cost enormous sums.

French Land More Troops. Paris, Jan. 31.—A dispatch from Athens to the Havas agency dated Sunday says that French troops continue to land on the island of My-

Painless dental work at moderate prices at the White Dental Parlors, 809 Kansas Ave., Phone 714.—Adv.

Car Load Tinware Sale All Week

The Fair

All Week Selling a Car Load Tinware

Did It Ever Occur to You That Topeka People Have All the Shopping Advantages to Be Found Anywhere?

The variety of merchandise here is as good as the best and in nearly every case the price is much lower than it is in the large cities. Topeka people know this, that is why business in all the lines is growing.

We now learn that we are the only retail merchants west of Kansas City to buy a solid carload of tinware to be sold in one place. Stop and think of it for a minute—a big box car loaded to the roof with nothing but tinware, and every bit of it consigned to the Fair stores. We had two reasons for buying so much: First, we saved 20% on the purchase price and we saved 10% on freight. Second, we knew we could sell it. Our business is growing and demands a heavy stock and we are protecting our trade against any advances in prices. We can now assure our customers the bottom prices on all articles and show a variety that cannot be excelled in any other retail store, even in the largest cities.

Full carload of Tinware just received. We have listed below some of the items at carload sale prices:

- | | | | |
|--|---|---|--|
| Pipe Collars for 6-inch Pipe—A regular 5¢ article. The car load sale price is, each, 3¢ | Graduated Measures—The two quart size is Reg. the 1-quart or 10¢ size is 4¢; the plain measures are priced as low as, 3¢ | Half Bushel Measures, gal. 29¢ | The 5¢ Basins for 10¢ Milk Strainers |
| 10¢ Cake Pans—Our car load sale price is, each, 1¢ | Dozens of shapes of Cookie Cutters, 5¢ ones, choice, 2¢ | 5¢ Funnel—Car load sale price, 2¢ | Milk Skimmers, for car load sale |
| Some Cake Pans priced as low as, each, 1¢ | 10¢ Covered Buckets, car load sale price, 5¢ | 10¢ Flat Flue Stove, now | Pot Covers—Any size you wish, 10¢ on down to, 10¢ |
| Retinned Extra Heavy Cake and Bread Pans—We have a variety of these that will surprise you. Every shape and every size, and the best material obtainable. The best is home too good for you.
